## FIRE ENGINEERS' REPORT - 1997

We experienced two significant fires this year, with the Callender family losing their house this spring and the Goldsmiths suffering a significant loss this fall.

While we were fortunate to have the families escape, there were family pets lost. The support of the community has and will help these families see through this.

1997 saw an increase in calls, both fire and medical, and continues to emphasize our need for new people in the department. There is a need for young people to join in as the average age is 50 or over at this point.

Especially needed are people interested in serving in the EMT area as we are experiencing increased activity in this area.

The engineers wish to thank the community for their support through the year and especially the members who give their time so freely -- for free.

It's really pretty amazing -- you call 911 and seconds later twenty plus minitors are summoning help.

Respectfully submitted,

Fire Engineers

## REPORT OF THE SURRY POLICE DEPARTMENT

The Police Department activity remained just about the same as last year with a couple of exceptions. We had more than 5 times the number of noise complaints, most of them being after Midnight, and our animal complaints have increased over 100 percent this past year. Primarily because of loose and stray dogs. Remember, there IS a leash law in town and your dogs MUST be in your control at ALL times, as well as vaccinated and licensed!

Our criminal activity has dropped, and we're hoping this was at least partially because of our added visibility during the daytime patrolling. We are going to continue the daytime patrols in an effort to maintain control over past problems.

The Rec Area seems to be generating less and less activity for the Police Department. Having the Fee Booth at the entrance and Patrol shifts 7 days a week really helps there. We have found there to be slightly more parking problems with cars avoiding the main entrance and parking in "out of the way" places, but the owners have all been located, and the vehicles moved. There is a new parking lot at the end of the Dort Road for the swimming hole that has great potential to cause us problems due to the fact that it's well hidden from the main road.

Traffic accidents have doubled since last year but were less serious in nature.

With the new restrictions for OHRV's in the sand pit behind the Village, we had a busy season at first, but once the word got out, things quieted down. We will continue to actively and aggressively patrol the sand pits for violators.

The Police Department still continues to attend numerous training sessions and classes, with several sessions already scheduled for this year for all of the Officers. State requirements are continuing to become more stringent, plus there have been several changes in Motor Vehicle laws dealing with youthful drivers with which we all needed to become familiar.

We had no major equipment purchases this year; however, we are very hopeful the town will approve the purchase of a new Police Cruiser to replace our current car which is now almost 10 years old. We have been working on a capital reserve fund for several years now, and have almost enough to accomplish this.

And finally, as always, we wish to extend our thanks to the Surry Fire, Rescue and Highway departments for their continued assistance and support throughout the year.

The following is a summary of the Police Department activity for 1996:

Respectfully submitted,

Gerald Clark	Chief of Police
Joel Huntley	Lieutenant
Robert Blodgett	Patrolman

## SURRY RECREATIONAL COMMITTEE REPORT - 1997

The Surry Recreational Committee had a fun and exciting "1997" and thanks to all of you who attended these events. We hope you enjoyed them as much as we enjoyed putting them on. Also, a Thank You goes out to all those who volunteered their time, help and talent to us when we needed it.

Upcoming events for 1998 are still in the works but rest assured that the Easter Egg Hunt, Old Home Day and Apple Pie Festival are on the calendar. Watch for more details!

Planning and organizing for any event is very difficult and time consuming. There is a lot of hard work that goes into this so everyone of all ages can participate and enjoy. In the past events we have seen fewer people attending these town functions. We would like to have any input or suggestions you may have to help us bring you an event you can enjoy. (As always our door is never closed to any volunteers.) Please put your suggestions in an envelope marked "Surry Recreational Department" and drop it off at the Town Hall.

## REPORT OF SURRY HISTORY COMMITTEE -- 1997

Dear Friends and Neighbors of Surry:

Early in May 1991, after unanimous support at the annual Town Meeting held in March, your Town History Committee was created. Through the years much information has been gathered including pictures, histories of civic organizations, newspaper clippings, personal notes, genealogies and many items of public interest.

There are about two hundred seventeen families in Surry, of these, only ninety seven have returned their completed Genealogy Forms when an accounting was made. This has prompted us to extend the deadline for another year. We cannot go to print without at least seventy-five percent of our current families. If you were residents between 1922 and 1998 and moved away, we still would like to hear from you.

This is so important for the future generations as a source of information.

To those ninety-seven families who have returned their surveys, we have copied them in the manner in which they will be published using recommended abbreviations.

We will return copies to you, read and study them, making any necessary corrections and return to us.

In the event copies of the Genealogical Forms are needed, they may be found in a rack in the Lower Town Hall, or call any member of the committee.

Thank you for your cooperation.

Calvin L. Frink  
Chairman

BOARD OF THE TOWN AUDITOR

To the Selectmen of the Town of Surry, NH:

I hereby certify that I have examined the accounts of the Town Officers of Surry, New Hampshire for the Calendar Year 1997 and find the Receipts to the Treasurer properly recorded and Disbursements by the Treasurer properly recorded.
